**Subject:** 1992 PRC Sampling Report Data  
**Date:** Thursday, May 01, 2014 4:19:58 PM

---

Hi Chris,

We found a reference to some soil sampling performed by PRC in 1992 as a follow up to the RFA. The trip report provides the field screening data, but we do not have any records of the soil sample analysis that was performed. Is it possible that you have any report of this activity which includes the analytical data?

Please advise - thanks,

Mike Stephenson
